Another busy fortnight has passed us by. The students have been very active in the topic “Earn and Learn” learning about government and some past Prime Ministers. They have also started trading after deciding on and building their own stores. The kids are really enjoying this hands on topic, learning about wages, tax, banking, buying and selling and how government decisions effect their day to day living. The shop fronts really look great. Lucas is our local police officer and has been enjoying fining people for various offences. Sophie has also taken on the role of local reporter and will publish our first newsletter this week. Shown here are Ben’s Post office and Jack’s Security Store.

Bluearth yesterday was another great day. The program is running very well with all the students enjoying the social factor and participating very well. Students focus on being self umpires and accepting when they need to be out. The students are also developing good team work skills and practicing tuning in to the coach to debrief after activities. It’s really great to see the progress of the students.

Next week, Wednesday the 18th, we are travelling to Willow Park to participate in the Kanga 6’s cricket carnival. We will be combining to form 4 teams with Mitta, Tallangatta Valley and Eskdale. Last years Kanga Cricket was a great experience for all the kids. The students will be travelling by bus and returning to school at the end of the day. Please ensure that students wear a hat and runners and bring along a drink bottle and packed lunch.

We have had quite a few students not bring hats to school, particularly on excursion days. Students who don’t wear a hat, even on excursion days are not allowed to play in the sun or even participate in activities that are outside. Please ensure that your child has a hat for each day of Term 4 and Term 1. Hats are available at the office for $10.

Debbie and her family will be once again running another raffle, this time a Christmas one which will be drawn out the night of our concert. Tickets will be on sale shortly and also available at the Community Breakfast next week. Once again there will be a range of prizes for the raffle. Thanks to Debbie, Sophie and Ben for running another raffle.

Don’t forget our school council meeting tonight commencing at 6.00pm. Parents who are not formal members of the school are more than welcome to come along for the meeting. Thanks.
Big Brekky is back!

Once again we will be having our Big Community Breakfast. Everyone is welcome.
This year it will be on Friday the 20th of November from 6.30am – 8.30am.
$5 all you can eat.
BYO Cup/plate and knife and fork.
See you there!
