Welcome back to everyone for Term 4. We are really hoping for the rain to stop sometime soon so we can experience more time outside. We had our working bee on the last day and thanks to Bernadette and Luke for coming down to help get some jobs done. We will be planning for another working bee this month. Our veggie garden boxes have been delivered and tomorrow we will plant the seedling vegetables followed by a herb garden. We are really looking forward to this term.

We are really excited to welcome two students to Upper Sandy Creek. Firstly we welcome Reef Muller and his family to the school. Reef and his family have been overseas in Panama and we have enjoyed hearing Reef’s stories about sailing! We also welcome back to the school the Cawood family and in particular Angel. Angel has been at Tallangatta and we are really excited about having him here at the school. We welcome them and look forward to an exciting rest of the year.

On Tuesday the 18th we will be having our school photos. Carmela will be doing our photos again. Pricing information will be sent out next week. Please make sure that students are wearing school uniform.

This term our students must be wearing school bucket hats, as per our school’s Sun Smart Policy. Term 4 and Term 1 all students must wear hats whilst outside and on excursions. Students who do not have a hat can only play in the outdoor shelter.

Our plans for the 125th Anniversary celebrations are taking shape. The date is set and we have created an event on our Facebook page for people to express their interest in coming. We have some fun things planned for the day. The date for the event is Sunday, November 27th, 12PM-3PM. Please jump on Facebook and register.

On Tuesday the 18th we will be having a School Council Meeting commencing at 6.00pm. If you cannot make it, please call the school in advance to register your apology.

Next week we have the Tallangatta Kinder visiting our school. As a result we will not be travelling to Eskdale for Bluearth. Our first Bluearth day for Term 4 will be the 27th October. If you haven’t yet, please send in the permission form. Thanks.

Staring next week we will be having Tegan Whittaker, our schools Student Support Services Office (SSSO) visit to commence our Getting Along sessions with the students in P-2. We are really excited that Tegan can come to deliver these sessions for our students.

Hope you have a great fortnight.
