Monday 13th November
Week 5

BIG BREKKIE

Our school is hosting once again the Big Brekkie. The morning is set for the 30th of November with a 6:30am start. The cost is \$6.00 per person for as many pancakes, fruit, bacon and eggs as you can eat. Bring your own mug and enjoy a cuppa as well. This will also be the last opportunity to buy a raffle ticket before it is drawn and winners announced. We hope to see you all there.

SCHOOL COUNCIL

A reminder for School Councilor's, the next meeting is on the 21st of November at 6:00pm. This is an important meeting as details for the Big Brekkie and concert will need to be finalized among other end of year items. This will most likely be the last meeting for the year.

KANGA CRICKET

This term the students will be attending Kanga Cricket on the 1st of December at Willow Park Wodonga. We will be once again combining with our cluster schools to form teams. Parents are welcome to attend and watch

the games. We love the Kanga Cricket days and are really looking forward to it.

RAFFLE UPDATE

The goal of raising \$2000 to go towards a defibrillator is becoming more of a reality thanks to families getting the word out and selling tickets. The students have also been active with a raffle table in Tallangatta on the 3rd of November. This was met with success and they will be there again on the 24th November. We would also like to extend a big thank you to the Lions club for their donation of \$500 and John Rochstein for his donation of \$100. This brings our total of funds raised so far to \$1400. Also thanks to the families that have been putting in a big effort to get out and about selling tickets. Keep up the great work.

BOOMERANG BAGS

Last term the students wrote letters to IGA Tallangatta imploring them to stop using plastic bags, as an alternative they suggested boomerang bags. The bags were delivered and IGA's response was promising. They would like some more bags and are prepared to donate fabric for the students to make more. Well done everyone involved. Change is one small step at a time!

INDIGO SHIRE MEETING

Junior School council has been working towards raising funds for the Turo Islands composting toilets and also cancer council, Redcross, Kangaloola, and Wodonga/Albury food share.

Over the past year Upper Sandy Creek school has raised over \$250 from selling hot dogs and having events such as presentation nights where students present their work and parents play math games and answer trivia questions.

Selling hot dogs has been an eventful time in trying to organize the hot dogs and cooking them. Once, nearly all the hot dogs exploded! We haven't been able to sell popsicles yet because it has been winter and who wants to eat ice in the cold.

The events that raise the most money are the presentation and trivia nights. The students prepared and served the finger foods while the parents enjoyed themselves. I'm very happy about how the fund raising is going.

PROTECT

Protecting children & young people
from abuse is our responsibility

Tyler - I have been enjoying writing my dinosaur book and I am almost finished it. The last chapter is called the Death of the Dinosaurs because they became extinct.

Byron - I was super lucky to get a ride in a helicopter on my farm when the land was getting sprayed. It was awesome!

Jacob - On Thursday I got a filling in a tooth. Having the numbing needle didn't hurt but I didn't like the drill.

Angel - I really wish today that we could go to tennis. It has been lots of fun going to Talgarno to play tennis with them. We have had a professional tennis player as our coach.

Chloe - For my birthday I got three new pets; two lovebirds and a kitten. They are called Tikki, Loops and Shadow. My dad made me a grumpy cat birthday cake which I was not expecting. Having a birthday is cool fun!

Joseph - it was a good long weekend I was quite surprised that we had Monday off too. I went to my friends house and rode bikes and watched movies. On 14th of November I got two teeth removed it was painful but I survived.

Lucas - On the long weekend I went and stayed at my Dad's, on Sunday we went for a long walk together.
